WORKING BEE
On Saturday, 9th March from 11:00am to 2pm we would like to have a parent working bee. The skip will still be available and there are lots of jobs that could be done with many hands making the work lighter. A list of jobs is available in the office. Please let us know if you can help.

K/1 R CLASS REPORT
K/1R has had a great start to the year, learning lots of new skills and making new friends. This week in Mathematics we have been learning about Data and making graphs. We completed a whole class graph about “What is the best part about K/1R.” Students’ responses included, getting Dojo reward points, doing craft activities, playing games, learning about graphs, having pet fish in our room, learning new sounds, and making new friends.
INCREASED TRAFFIC WARNING
From 1st April, there will be increased traffic around the school due to the new building blocks being developed on Northview St. We ask that parents and students take extra care with cars, bikes and scooters. Road safety rules will also be discussed in classes.

INCREASED CRIME AROUND SCHOOLS
The Police have put out a warning to schools of an increase of crime around schools on weekends and at night. They ask that parents and students be vigilant in reporting any unusual activity, recording registration numbers of vehicles seen around schools particularly at night.

SCHOOL PHOTOS
The school photo envelopes went home last week. Please make sure the correct money is placed inside the envelope and that it is sealed before returning it to school.

They need to be returned to the office on or before the 18th March.

SCHOOL CONTRIBUTION
Each year families are asked to contribute money to the school that will assist us in providing interesting and engaging lessons. We are asking again for $20 per child up to three children, (the 4th is free).
